The screenshot shows a web application interface with a dark sidebar on the left containing various icons. The main content area has a top navigation bar with links: 'Browse', 'Action', 'Device Types', and 'Interfaces'. Below this, a modal window titled 'Add Device' is open, featuring a progress bar with four steps: 'Identity' (active), 'Device Information', 'Security', and 'Summary'. The 'Identity' step contains a form with two fields: 'Device Type' with a dropdown menu showing 'Select or create a device type...', and 'Device ID' with a text input field showing 'Enter Device ID'. At the bottom right of the modal, a status box indicates '0 Simulations running'.
